

Modbury School Primary student use of mobile phones and personal devices

Purpose

This policy provides direction to students, staff and families about managing mobile phones and other digital devices that students choose to bring to school. Digital devices include, but are not limited to, smartwatches, tablets or laptops that are not part of a separate Bring Your Own Device arrangement. This policy applies while students are at school, or attending an authorised school activity such as an excursion, during school hours.

Mobile phone use for primary school students

The department's position is that primary aged students cannot use their mobile phones and personal devices at school during school hours. The department and the school recognise that there are legitimate reasons for students to bring a mobile phone or personal device to school. This may include:

- to ensure their safety while travelling
- so that parents can contact them outside of school hours.

During the school day students are not permitted to access or use their mobile phones or other personal devices. Students must switch off or mute their devices before storing them at the beginning of the school day. They will not be able to access their device until the end of the school day.

Storage of personal devices

Students are asked to hand their mobile phones and personal devices (e.g. smart watch) into the front office at the beginning of the day for safe storage. The school accepts no responsibility for lost or stolen items taken into classrooms or left in schoolbags and lockers.

If the student does not comply

- Non-compliance with the request to store personal devices in administration may result in disciplinary action dependant of the circumstances which includes but is not limited to: confiscation of device, office time out, removal of yard privileges, take home and/or suspension
- If the device is confiscated, it will be stored in administration until the end of the school day at which time it can be collected by a parent/caregiver.

Exemptions

- The Principal will consider exemptions for the policy on a case by case basis, based on significant needs. In order to be considered for exemption an email addressed to the principal should be sent to: dl.0272.admin@schools.sa.edu.au
