Father's Day Stall

Dear families,

Welcome back to Term 3! It feels as though we blinked and all of a sudden it is August.

We are so excited to see everyone back after the holidays, and have enjoyed catching up on everything the students did during their break. We have already heard lots of stories from our students about what they got up to, including camping, interstate holidays, home renovations, and bedroom makeovers. We hope that during that time you also had an opportunity to rest, relax, and recharge your batteries.

We have had a very busy start to the term, and the calendar is already filling up with a lot of exciting opportunities for the school community. We welcomed our first mid-year intake of preschool children, and are very happy to hear they have settled in quickly and enjoying their preschool days.

In the next few weeks some of our students will participate in SAPSASA Basketball and Athletics, and others will head into the city to join the Aboriginal Learner's STEM congress. We will also be sending our choir to participate in the Primary School Music Festival, and the whole school will be enjoying National Science week, and Book Week in a few weeks' time. We have our annual Father's Stall in Week 6, and last, but not least we will have our Sports Day/Slime Spectacular in Week 10. So much to look forward to!!

We are also very excited to be welcoming our newly appointed Principal to Modbury this term. Kirsty Brumby has been acting in the role, and we thank her for all of her hard work as we waited for the news of this appointment. Ms Slater, the new Principal will be starting with us in Week 3, and is incredibly excited to join the wonderful community we have here.

We hope all our students, teachers and families enjoy a wonderful Term 3!

Preschool News

At preschool we are very excited to be able to support the first mid-year intake for some time. It is an exciting and important step for our youngest children and their families.

Preschool plays such an important role in providing children with a space to observe, experiment and explore the world around them, learning through play-based approaches, and building the confidence they need to be ready for school.

Six new preschool children started their learning journey this term. They have all settled in, and are very excited to be with us. Our new students have enjoyed exploring the preschool environment, inside and out! The children that started with us at the beginning of the year have welcomed our new transition students and already we can see they have built positive relationships. We welcome our new students and their families to Modbury Preschool.

Sharing is Caring

Welcome to Modbury Preschool!

Registration of Interest for Preschool and Reception 2024 now open!

If your child is eligible to start preschool or reception in 2024, please complete a registration of interest form as soon as possible. These forms are available to download from our website or can be collected from the office. Completing a form ensures that your child is considered during the placement process.

If you have any questions regarding enrolment, please call us on 8264 2027.

We are very excited to have your child begin their learning journey at Modbury Preschool and School.
