Reminder: School Closure Monday 29th August Book Week Parade Tuesday 30th August 9:15am

Dear Families,

This week we are able to share special moments in our newsletter of a wonderful camp the year 4-6 students attended at Illawonga, Punyelroo, on the Murray River.

Many thanks to all the staff who attended to help make the camp a success, with special thanks to Luke Venter, for co-ordinating the 3-day event. School camps are an incredible experience for children, building their independence, gaining confidence, engaging in social opportunities with school friends and sharing rich new experiences together.

Our students participated in the activities on camp with a strong sense of courage and enthusiasm, we are so very proud of those that stretched their comfort zones and tried something new. We are equally proud of those that helped others, showed kindness and demonstrated strong leadership qualities when required. Thank you Modbury School students, we are delighted to acknowledge your efforts.

Buddy the camp dog was a huge hit with everyone.

The campers returned to school Wednesday afternoon, a little tired but also ready to share their new learning and fun stories, much of which they will hold onto as their own special memories.

Just a reminder that we have our School Closure on **Monday August 29**, no staff are on site, with OSHC available for bookings only. **Tuesday August 30** is our Book Week Parade - this year's theme is "Dreaming with Eyes Open". We are inviting our parents to attend and hope the weather will be clear and sunny so we can parade the asphalt at 9:15am. If you are planning to attend, please remember to practise social distancing and we strongly encourage the wearing of masks.

Mary Ttikirou
Principal

Ms Kym was able to find a comfy place to rest on camp.

Father's Day Stall

Tuesday 30th and
Wednesday 31st August
Students will go to the stall
with their classes
Gifts available from \$1.00 to
\$7.00

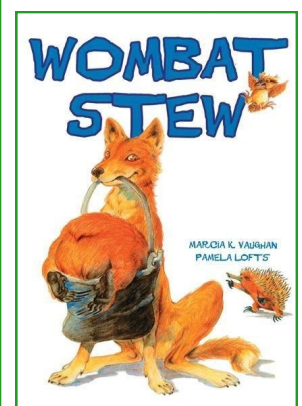

Please send a small amount
of money with your child on
the day.

Modbury School Preschool

This term in Preschool we have been reading the book **Wombat Stew by Marcia K. Vaughan** and have been using the story for our story table. Many thanks to Linda for creating this wonderful learning experience for our children.

We have the beautiful display set up in our outdoor atelier to engage the children in a variety of different activities. We have been retelling the story using story stones, puppets and other props to make our own Wombat Stews. There are also colouring sheets for children to make their own pot of "wombat stew" and lots more. The children are developing their cutting, writing and communication skills as they engage in collaborative play.

The children have enjoyed making and retelling the story of the **"Goopy, brewy, yummy, chewy, Wombat Stew!"**

SCHOOL SPORT SA BOYS NETBALL

School Sport SA & Statewide school competitions (formerly SAPSASA Sport)

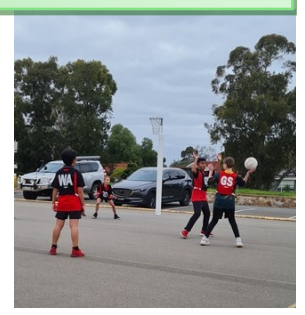

School Sport SA runs a series of Statewide Competitions, State Carnivals and State Championships, in which the school nominates individuals and teams for competition.

In some sports, competition is run in district championships. Students must demonstrate the ability to follow rules, be organised and adhere to the Sporting Codes of Conduct. Student behaviour reflects our school values of Courage, Community and Create. We expect our participants to create opportunities to find the courage to move outside their comfort zones, try new activities and participate in wider community events.

Students need to attend all scheduled training sessions where possible, leading up to a game or carnival. This events can lead to state and interstate representation for successful students. Other School Sport SA sporting competitions are run with the support of the relevant sporting bodies in Adelaide.

District Carnivals

If your child is selected for a district team for a particular event, the district team competes in a state carnival, which usually occurs in the few weeks following the district carnival. All carnivals whether for

Statewide School Competitions (formerly Knockout SAPSASA)

In Statewide School competitions, if a team wins, they progress to the next round of the competition on another day. If they lose, they are eliminated from the competition. For example, in a competition of 64 teams, 32 schools would progress to round 2 and 16 to round 3 and so on. The Statewide competitions are spread out across terms and match dates are agreed upon between the School Sport SA coordinators of all schools involved, with matches played during school hours. The time between playing in one round to the next could be anywhere from a couple of days up to 6 weeks. The timing of matches is dependent on each school's calendar, cut-off dates for each round and player/staff availability.

Sports include Cricket; Soccer; Hockey; AFL; Netball; Softball and Tennis and are played as either all boy teams or all girl teams.

SELECTION – District Carnivals and Statewide School Competitions

Teams for all sports will be selected on school grounds at lunch time, before or after school or in Physical Education lessons. The Sports Coordinator and PE Teacher run trials to select students to form teams to represent Modbury School.

School Sport SA at Modbury 2022.

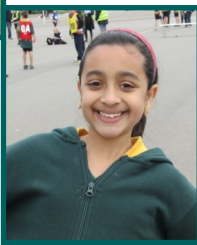

At Modbury School our students in years 4 -6 have the opportunity to participate in many of the School Sport SA Programs. In this Newsletter you will see photos of our Boys Netball, Girls Soccer and Mixed athletics teams. Our teaching staff enjoy taking our students to these carnival days and watching them try their very best, have fun and show what great sportsmanship skills Modbury students have.

Our school athletics team are to be congratulated on their performance and persistence at the recent athletics carnival. Mr Venter was very proud to accompany them and watch them race.

Some of these students needed to dig deep and push past feeling anxious about trying something new and being involved in such a large carnival. This shows great strength of character.

For a few of them it will be their last opportunity to represent Modbury School as they will head off to high school next year. We thank them for being awesome ambassadors !

Girls Soccer

Practising sporting skills is a key ingredient to selection for school carnivals. Skill development helps to build self-esteem, regulate behaviour and habits, learn leadership and communication skills, learn patience and develop resilience when things don't go to plan. Once again we have really enjoyed having Seda College students visit our school weekly to provide soccer skill development sessions for our students. These sessions not only benefit our students but also assist the college seniors develop key leadership skills as they work towards their career goals. Thank you Seda for your ongoing support!

SA STEM ATSI STUDENT CONGRESS

Mr Venter, Nichola and Saphira attended the SA STEM Aboriginal Student Congress in Adelaide CBD on Thursday 18th August.

The congress started in 2017. It is a significant annual event, designed by Aboriginal students, elders and academics to explore STEM connections to Aboriginal culture and inspire future STEM pathways for all aboriginal learners.

Thank you Nichola and Saphira for being great ambassadors for Modbury School!

Come & Try Little Athletics for free!
Most Sundays from 18/9/22, 9am Starts
at the Bridgestone Athletics Centre

Training locally at Golding Oval, Para Vista

School Camp 2022

Sneak peek at the photos from the Illawonga School Camp for students in year 4,5 and 6.

Illawonga Camp is an educational campsite just two hours from Adelaide near Swan Reach on the Murray River. Run by Murray River Educational Tours, Illawonga Camp offers a unique camp / study program developed specifically for school students.

Our staff and students have arrived home exhausted after a fun packed 3 days. The activities included, cave exploring, river boat cruise, safari park, gymnastics, archery and pedal cars, just to name a few!

Thank you to our students for all their courage when participating and to the staff who attended camp this year, fantastic effort!
