Term 4 Week 1
2022

Dear families,

Welcome to back to school for term 4. This term is a 9 week term and it is jam packed with events alongside a comprehensive wrap up and consolidation of curriculum learning for each child.

Please look out for information about the Slime Fun Run, School Concert, 'Dance through the Decades', Sports Day, Graduations for our preschool and year 6 students, Transition visits for 2023 students in Preschool and Reception and last but not least, our end of year whole site assembly in week 9. Much of this information will be communicated through the Skoolbag app as well as through additional hard copy notes where needed.

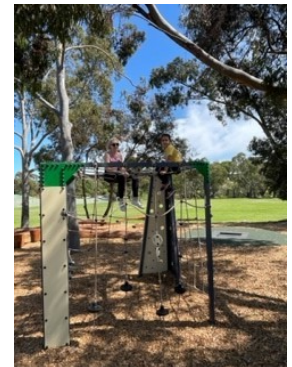

2023 Classes

We are currently looking at structures for our 2023 classes. Teachers will be looking at groupings over the next few weeks, collaborating to ensure we find the best fit for students. In addition to this, students are able to share their thoughts about

who they learn best with and will provide this to their teachers. Along with student voice, as parents, your voice is also valued. Every endeavour will be made to support requests, however at times we are restricted with year level constructs. Teacher requests are not generally made or able to be provided as the staffing for 2023 has not yet been secured. If you have something to be considered, please email myself on: dl.0272.admin@schools.sa.edu.au please have 2023 class placement in the subject line or provide a letter with your request.

The beautiful weather this week has provided opportunities for children to reconnect with friends, make new friends and engage in fun in the yard and classes at Modbury School P-6. Here are some snapshots of a few things I noticed this week.

Congratulations to Rehan for winning the TTG Junior Premier Tennis Series under 12 singles and doubles competition. This tournament was held at TTG tennis club during school holidays. We know how hard Rehan works to be competitive in his chosen sport and we wish him every success!

Regards
Mary Ttikirou
Principal

Well Done Modbury School's Festival Of Music Choir!
On the 15th of September Modbury School Choir performed at the Festival Theatre along with many other public schools. Our students did an amazing job and showed incredible resilience and talent throughout the rehearsal and evening performance. They have all worked hard at school and home to learn the repertoire and

choreography for the performance, I'm so proud of all my students and their efforts.

I would also like to make a special mention to William Hu, who won a position in the Festival of Music orchestra this season. He has an amazing ability to play the piano, and this is attributed to his hard work and determination. We are so incredibly proud of you William, and all your efforts with the Festival of Music, you are a shining star!

Ms Vanessa
