year 6 Graduation
8 December
LCA Zoo excursion

Week 9
Tuesday 13 December
final assembly 9:05am
14 December
- Preschool Graduation
16 December
- Last day term 4 - 2:05pm dismissal

Dear Families,

We have had a wonderful fortnight of community involvement and interactions with our 'Slime Fun Run' event in week 2 and the Dance through the Decades Concert. It was truly wonderful to have community on site, sharing the momentum of the events and supporting our children with enthusiasm.

The Dance through the Decades was the culmination of persistence, dedication and developing expertise in all that encompasses The Arts. Many thanks and gratitude to Ms Vanessa, performing Arts teacher for her wonderful support to the educators and students in designing, choreographing and presenting their performance. Children of all ages and abilities, collaborated as performers to showcase their skills and this year 's enthusiasm and pride was a distinct feature.

Congratulations to all of our participants, from stage managers, to those who supported special effects and those who danced, sang and played music, well done on an awesome performance!

Additional thanks to Adrian Gray who supported our performance with lighting and visual effects. Steve Westerholm for his amazing efforts in preparing our school grounds and gym to ensure it was safe for community use. Steve also managed the barbecue as well as setting up and packing away on Concert night. To the staff who helped with the barbecue and helped in the gym, many thanks! I would like to add special thanks to Luke Venter who always lends a hand with the cooking.

The enormous response from our community in attending and supporting these events has reinforced how important it is to have our community return to our site. Positive parent partnerships with schools and preschools make all the difference and directly improves learning outcomes for our children.

We will be looking to open up opportunities for community engagement and involvement. Please look out for further information and ways to connect with members of Governing Council and hear about how you too can be involved.

Mary Ttikirou
Principal

Congratulations Shayla for raising the most funds during the Slime Run- As the highest fund raiser she was able to take first shots at Ms Brumby and Ms Kym!

Slime Run

Slime Run raised over \$6,000 dollars! Thank you to everyone who attended the event and for the students that raised funds or paid a donation to participate. The funds raised will be used to support the creation of a new outdoor learning space.

What a fabulous concert night! Thank you to all our wonderful performers, our staff that stayed late to help out and to our parents and carers that came out to support the event. Special mention to Vanessa, our Arts teacher for her work in organising this event and to Adrian for volunteering his time to help with effects and lighting. Amazing effort everyone! More photos will come in the 2022 school magazine.

Fabulous! 00's
