Week 9

**Tuesday 13**

**December**

final assembly 9:05am

**14 December**

- Preschool Graduation

**16 December**

- Last day term 4 - 2:05pm dismissal

Dear Families,

I hope everyone is managing with the very unusual weather that we are experiencing. Over the past few weeks we have been welcoming our new 2023 Preschool and Reception children and families. It has been wonderful to see the children meet staff and begin to make new friends through these orientation opportunities. Class structures have been determined and over the next weeks we will be forming classes. This process includes teacher and student voice. All children at Modbury School P-6 in 2023 will receive their class placement information in week 9, the last week of the school year.

Please let us know if there are any changes to your child staying at Modbury School in 2023 through an email; [mary.ttikirou683@schools.sa.edu.au](mailto:mary.ttikirou683@schools.sa.edu.au) or phone call on 82642027.

We have some very special whole school events occurring with Sports Day on Wednesday 30th November and our final assembly on Tuesday 13th December at 9:05, I hope you can join us so we can acknowledge and celebrate the growth and achievements over the year. The assembly will also provide us with an opportunity as a community to farewell some staff members who are leaving.

Finally, thank you for your understanding and working with us during this past week with our site being closed on Monday. The closure was confirmed late Sunday by the DfE due to the storm damage and power outage. Progress is being made with repairs to damages in the OSU, and thankfully our OSHC service has returned to their normal space as of yesterday.

Mary Ttikirou  
Principal

### School Magazine

Have you ordered your 2022 School Magazine?

The magazine showcases all the classes and activities held at Modbury school throughout 2022.

The magazine cost is \$12.00

Order forms are available from the office - alternatively you can contact the office and we will happily email one to you.

Ph: 82642027

## The Joy of Learning

# Public Education Student Forum

At the Public Education Student Forum, we joined a state-wide conversation about the purpose of Public Education. As students of South Australia we were able to share our views, discuss our values and ideas for the future. These will be used to help create the next South Australian Public Education Statement – a distillation of what public education will become in our state. The forum gave us interesting information about our wonderful state, and the things that originated here, like Women's Right to Vote and sunscreen!

Arham and Parneet at the Forum

Understanding how students can change the action of government was shared through the story of a young girl from Surrey Downs who was brave enough to ask a minister of parliament why the Aboriginal and Torres Strait Islander flags were not on display inside the building.

These flags have been included ever since she was brave enough to ask the question.

We were challenged to meet new people and contribute to conversations about changes that need to happen in primary schools. We have also been challenged spread the conversation to our school community. Over the new few months, this webpage <https://www.education.sa.gov.au/students/student-forum> will be updated with more and more ways to get people involved. Please follow this webpage so you can share your voice too! There will soon be a survey link added so you can share the top 3 things you really love and care about in Public Education. We hope many of the students at Modbury School take the time to complete the survey. Thank you to Mr Venter for taking us to this event and to Ms Mary for selecting us to participate, it was a wonderful experience.

# Lobethal Christmas Lights Tour

FRIDAY 16TH  
DEC 2022

## FROM NURIOOTPA BUS DEPARTS:

ROUGH  
TIMETABLE

6:40 PM	Nuriootpa, BP Murray St
