MODBURY SCHOOL P-6 | NEWSLETTER

TERM 2 WEEK 1

Important Reminders: Wed 10th May Mothers Day Stall and Special Person Morning Tea Friday 12th May 2023

From the Principal

I would like to extend a very warm welcome back to all of our families and students at Modbury P-6 school for Term 2. I'd also like to extend a very warm welcome to our new families on site. We hope that you feel very welcomed into our small, close knit community. While parents and caregivers often don't get a break during this time, I certainly hope that you got to spend some quality time together doing things that you enjoy. It has been lovely this week hearing from the students all about their break and the exciting things that they did.

I'd like to start by thanking our dedicated and highly experienced staff, for all of the work that they continue to do throughout the holidays, while students are not on site, to prepare for the term ahead. I am very grateful for all they do in ensuring each and every child's learning needs are met and that they have the opportunity to thrive in an environment that promotes not only their academic needs, but their well-being needs as well.

This term, I will be continuing with our fortnightly coffee and chat sessions. The first one will be commencing on Thursday 11th May, Week 2. Last term, it was lovely to be able to take the time to engage with parents, hear ideas and listen to all of the wonderful stories they have about their child's education at Modbury P-6. I look forward to seeing many parents at our first coffee and chat session next week.

We have some wonderful events this term and the first one to be held will be on **Friday 12th May – Special Person's Morning Tea**. This is to acknowledge the amazing mums, grandparents, aunts, carers or any special person that helps to shape our young people's lives. This morning tea event will be held in the STEM space. We would love to see as many faces as possible. For catering purposes, please email dl.0272.admin@schools.sa.edu.au

Learning
High quality teaching and learning, combined with well-being is our first priority for every child. Sharing that learning with families and engaging in conversations with your child is a wonderful opportunity to understand how they are feeling at school, what they are learning about and enables you to support your child at home.

Throughout this term, we will continue to share with you throughout the newsletter, articles and photographs of student learning to celebrate all the wonderful work the students are doing.

I'd like to wish you all a wonderful 9 weeks ahead and please feel free to pop in anytime to have a chat.

Warmest Regards,

Michelle Parkes
