From the Leadership Team

Dear families,

It's been a busy few weeks with many activities happening across our school. The school holidays are fast approaching and the staff at Modbury School P-6 would like to wish all our families a safe and relaxing holiday.

Choir—Festival of Music—on Tuesday evening our Choir performed at the Festival of Music. It was a spectacular performance showcasing the singing musical abilities of primary students. The Primary Schools Music Festival is a South Australian State Heritage icon under the direction of The Public Primary Schools Music Society and the Department for Education, engaging students in artistic excellence, cultural diversity and social inclusion through performance in Music and the Arts. A big congratulations to our students for their persistence and organisation this year in preparing for their performance. A huge shout out and thank you to Andrea Panozzo—our Arts teacher who has run our 2023 Choir for her work in preparing our students. Thank you also to our wonderful SSO staff who have supported Andrea on excursions.

Slime Run fundraising

It has been wonderful to see the community support our fundraising. Thank you to everyone for their ongoing support for our school. Last Friday we reached our target of \$3000 and our students were able to enjoy an extra 10 minutes of lunch play in the sunshine. This week we have exceeded our target of \$4000 and students will get to **slime Mr Isaac on Monday 25th September at 2:45pm**. Parents are invited to join us near the amphitheatre at 2:30 on Monday 25 September to watch!

Lunch Orders - Term 4

We have partnered with Metro Canteen - operating out of Modbury High School and are delighted to share that we can offer lunch orders on Tuesdays and Fridays starting Term 4. We are still continuing with Pie Time lunches on Wednesdays.

Tuesday - Metro Canteen lunches - order via Qkr! app

Wednesday - Pie Time lunches - order via Qkr! app

Friday - Metro Canteen lunches - order via Qkr! app

Lunch Orders for Term 4—We are super excited to be able to offer lunch orders on Tuesdays and Fridays through Metro Canteen starting in Term 4. Ordering will still be through the QKR App.

We look forward to seeing all our students return in Term 4 for another busy term or learning and events.

Warm regards,

Sara, Kirsty and Sheila.

Room 10 Excursion

As part of Room 10's Community Access program the students enjoyed a day out at the new playground at Thorndon Park. While learning about safe behaviours in the community the students had a great time exploring and climbing on the equipment. Everyone got wet under the water sprayer and had fun in the sand and water play areas. All the students had a nice lunch in the shade while watching the ducks splash in the water.

Hiragana Competition

Modbury students participated in the annual Hiragana Competition. Hiragana is a Japanese syllabary, part of the Japanese writing system, along with katakana as well as kanji. It is a phonetic lettering system. The word hiragana literally means "flowing" or "simple" kana. Hiragana and katakana are both kana systems.

The Hiragana Competition exists to celebrate primary students' Hiragana learning efforts over the course of their primary years. Heritage/background speakers are not allowed to enter the State Final. The competition is designed to celebrate those who have learnt Japanese as a second-language at school, rather than those who have learnt it at home or from their parents, or as a first language. A huge thank you to our students for their participation in this event, we would also like to thank Sensei Fox for her support on the day.

FROM OUR AIT

My name is Rachel Phillips and I am the Autism Inclusion Teacher (AIT) at Modbury School P-6. It is my honour to be working in the AIT capacity, working with staff, students and families to develop our capabilities in supporting the autistic young people in our community.

This year my role has been focussed on developing my own teaching expertise, upskilling my capacity to begin to work with our community in developing best practice when working with our autistic students.

So far, I have spent time engaging in professional learning and developing our 'site footprint' through data collection and analysis, developing a solid understanding of our school dynamics, strengths and areas for growth.

Next steps involve engaging in conversations with our community to develop and understanding of what is working well for our autistic students, their families and teachers and identify and understand what might be done to improve their experiences at school. I am looking forward to engaging with our community to gain an understanding of their unique stories and perspectives.

Keep an eye out in our Newsletters for updates around our AIT initiative and for information around Autism.

Holidays can take students away from friends and their usual school supports. Changes to routine can cause some children & young people to feel stressed, isolated and alone. Parent/carer support is very important during this time. We would encourage you (where possible) to connect directly with the families of any children or young people identified as particularly vulnerable or at risk, as well as providing additional supportive information to all families.

headspace has some information about [keeping healthy over the holidays](#) that may be helpful to share with young people and their families. Whilst headspace resources have been developed with 12–25-year-olds in mind, some information may be relevant to younger children and their families. Please also see the [Be You Mental Health Services and Support infographic](#).

Further tips for adults supporting children & young people:

- Encourage them to stay connected: Social relationships are an important aspect of young people's general wellbeing. Friends can provide both play and support, and spending time with friends is also important for keeping and building existing friendships.
- Encourage them to stay involved: Whether it is work, hobbies, clubs or sports – involvement with these can help a young person feel connected to their wider community.
- Partake in physical activity: If your young person is feeling down or finding things difficult, physical activities such as walking around the block can help relieve stress and frustration.
- Keeping to a regular routine: Getting a good sleep each night helps young people feel energised, focused, and motivated. Getting up and going to bed at the same time each day can help normalise their body clock.
- Help-seeking & support: School to provide information to families on how to keep young people safe over the holidays. Ensure that children and young people who may become more vulnerable during this time have access to support numbers, locally and nationally; and that their parents/carers also are provided with these details

Hi from the
Orchestra Manager

My name is Michael McConnochie and I am the Orchestra Manager for the Festival of Music.

My main role is to coordinate the Festival of Music Orchestra program which is delivered to students in Years 5-10. I am also the Performing Arts teacher at Golden Grove Primary School.

Reasons for your students to participate in Festival Orchestras:

- Working with high quality conductors and professional musicians
- Challenging repertoire aimed at Grade 2/3 Band level
- Weekly rehearsals with students of similar ability
- Further extend development of skills and ensemble experience
- Rehearse and perform in premier Adelaide venues
- World class performance opportunity at Festival Theatre
- Creating pathways for students into high school/industry

The Festival of Music Orchestra is one of the Department's ensembles and is the only one that gives students a full performance season experience (10 concerts at the Festival Theatre).

Our 2023 Orchestras consist of 58% high school students and 42% primary school. Our orchestras are very much aimed at the Middle school cohort. I would love for your school to be represented in this ensemble.

In this pack you will find a poster for you to display to help encourage your students to audition - it would be great if you could promote for us. Festival scholarships (up to \$500.00 each) are available to assist students in regional and remote areas should they wish to participate.

If you have any further questions or would like to discuss ways we can support each other in the development of our programs please don't hesitate to contact me.
